Decades of experience

We have a long tradition of producing conventional oats and in addition over 20 years of experience from gluten-free oats. Our knowhow of plant proteins ranges back for almost 10 years. During our long history, we have become a leading oat producer and have the most famous consumer brands in Finland.

MODERN FACTORIES SECURE YOUR SUCCESS

More than 700 of our oat contract farmers are enabling our internationally unique raw material sourcing model, with exceptionally short and transparent supply chains from the field to our gates. The incoming high-quality Finnish oats is further processed in our own mill and factories into consumer products. In addition to our domestic and traceable supply chain, the certifications of our modern and sustainable production facilities guarantee the safety and quality of our products.
